Under the agreement for 2015
Nursery Road State Special School will receive $46,170*

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to
- Increase the engagement of students in Junior, Primary and Junior Secondary years in the area of literacy through the 4 Blocks Literacy Program, ICT’s and AAC’s as documented in QSR and AIP
- Improve teacher and teacher aides capability through feedback and instructional coaching mentoring
- Build teachers’ ability to systematically collect and interpret data, identify and scale-up effective teaching practices and differentiate based on students learning needs related to communication and literacy
- Using the Australian Math Curriculum, analyse current teaching programs to develop a cohesive School Math’s teaching and Assessment framework for students in Junior and Middle School

Our strategy will be to
- Extend school wide data collection processes in literacy and numeracy, use One School, Dashboard to provide data and inform practice. Review by groupings and individually, students’ performance and engagement based on data collected and recorded, and measure and analyse progress to develop further teaching plans
- Coach and mentor evidenced based teaching and learning practices to support improved student learning outcomes, with a focus on instructional and individualised strategies as documented, AIP 2015
- Build teacher confidence and capability in implementation of literacy teaching programs and mapping student progress in literacy learning with targeted cohort of students

Our school will improve student outcomes by
