Our school strategies are showing substantial progress toward our targets

After reviewing our Great Results Guarantee agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our strategies as needed to ensure every student succeeds.

Strategies implemented include:

- Used the Australian Math Curriculum, analyzed current teaching programs to develop a cohesive School Math’s teaching and Assessment framework for students in Junior and Middle School
- Built teacher capability in teaching literacy, ICT’s and AAC users, by providing specific professional development and instructional coaching with PI specialist
- Purchase of non-fixed Interactive Touch Screens that are mobile and can be used by students and teachers in flexible strategies for students with sensory, and access needs
- Purchased additional specialized learning tools and resources; and teacher aide time to support the learning, assessment and reporting of literacy for every student.
- Instructional coaching and mentoring program around teaching, assessment, reporting of literacy to increase student engagement by quality and frequency for teacher aides and teachers. Training of Instructional Coaching team.
- Developed Middle Leaders to lead and skill teachers in Four Blocks Literacy to improve student outcomes in literacy for our students
- Analysis and application of data to monitor student learning in Literacy and Communication
