School Uniform Policy

The Nursery Road State Special School community supports all students’ wearing uniforms at this school. The uniform is expected to be worn daily but particularly when:

- Attending or representing the school
- Travelling to and from, and participating in school activities such as community based instruction

Our uniform contributes to a safe and supportive teaching and learning environment through:

- Ready identification of students and non-students at school and in the community
- Fostering a sense of belonging and
- Developing mutual respect among students by minimising visible evidence of differences

The uniform reflects our school community and is consistent with occupational health and safety and anti-discrimination legislation.

The Nursery Road SSS uniform, as approved by the school parents and citizens’ association in 2010 and updated in 2015 includes:

- The school polo shirt, silver and navy blue, for Junior, Middle School and Junior Secondary
- The Senior School navy blue polo shirt for students aged 15 years and above
- navy blue NRSSS shorts, navy track pants or skort as appropriate
- Winter uniform is the school tracksuit, or school coloured track or long pants with the school track suit top.
- School socks
- Closed footwear that provides adequate and appropriate protection. We recommend track shoes sneakers. We recognise there are some exceptions for less mobile students – alternatives should be considered as necessary for an individual student and discussed with the class teacher or principal as appropriate.

Our school campus aims to be sun-safe and all students are expected to wear the school’s uniform a wide-brimmed hat or legionnaire’s cap outdoors. The P&C has recommended a generic colour and styles that can easily allow parents and carers to cater more specifically for their child’s needs. The school uniforms area sold through the school administration. During 2016 the school will be outsourcing the management and supply of the school uniform through Lowes at Garden City.
